

The McFarland Family Teacher Education Scholarships

for those completing their teaching credentials:

This scholarship, from Tracey T McFarland, provides up to (2) scholarships per year to BSHS alumni who are enrolled in a teacher credential program.

The purpose of the scholarship is to augment the funds students will need to successfully complete their student teaching assignments.

Student teachers often have to buy materials for the lessons they create.

I know this will be a small drop in the bucket, but I want to support their efforts to become the next general of super teachers!
